

DISTRICT DIRT

Nevada Division of Conservation Districts

You Asked For It -

You asked for it – here it is. We searched high and low for information we thought would be useful to you, but as always, we want to hear from you. Let us know what you think (good or bad). We would also like to include articles about your district's activities and accomplishments. Please send us a short explanation of the project as well as any photo's you may have of the project (digital or hardcopy). Help us make this a newsletter that is useful and informative to you.

NvACD Annual Meeting was Informative and Fun!

The NvACD Annual Meeting was held in Virginia City November 5-6, 2003 at the Delta Saloon. What a great place to hold a meeting – so much history surrounded by friendly faces. The meeting was well attended by nearly 70 CD Supervisors and other partners from around the state. Several of the agenda items discussed were very timely. There are significant changes and opportunities for districts on the horizon. If you have questions or comments about any of the agenda items that were covered, please don't hesitate to contact our office for more information.

The banquet was held at historical Piper's Opera House. We enjoyed local entertainment, good food and had a very successful auction that raised just over \$2,000.00 for the scholarship fund. *Some of the attendees at the banquet even learned a new form of art!*

It was also decided to hold next years NvACD meeting in Gardnerville on October 26 –27, 2004. Please plan on attending and remember...we need your ideas for topics to be discussed next year. If you have any suggestions, please contact us at (775) 687-6977 or Chris Freeman at (775) 883-2148.

Hail, President Freeman
